CURATION NOTES

Inspired by the streets of Marrakech, the SAMIRA collection is born, featuring a glossy handcrafted zellige appearance with straight edges porcelain tile. This collection blends various traditional tile-making techniques, such as zellige, and a medley of six vibrant colours that stand out for their natural and unique richness of kiln-fired clay. Each piece in the SAMIRA collection carries its history of Moroccan arts craftsmanship and tradition, conveying the passion and care with which it is created. With its exotic charm, the SAMIRA collection becomes a symbol of Morocco's rich cultural heritage, inspiring artists and designers worldwide to explore the beauty and diversity of Mediterranean Oriental art.
