CURATION NOTES

- Solid collection is a study of perfect Neutrals Mid-Spectrum simplicity that will work with any scheme.
- The classic hexagon shape with a modern pressed edge brings an iconic ceramic style into the 21st century.
- Create a stronger aesthetic with contrasting grout or soften it with a complimentary tone as desired for your project.
- Quality product with attention to detail turns staples into centerpieces.

Solid collection features traditional mineral glazes in solid colors. As such there are no recognizable repeats.
