CURATION NOTES

Alchemy Pearl is inspired by Ocean Black slate's select appearance, in this case in an eye-catching, elegant luminous shade of white. Its vaporous appearance is perfect for more spacious settings, while its veined texture adds a natural beauty and chic touch of sophistication. Alchemy Iron is inspired by Grigio Soveraia: a striking, highly-prized grey marble, originally from the Middle East. Unique personality is afforded by the delicate white veins that streak its surface. Alchemy Iron's design brings an eye-catching modern appeal to settings of differing kinds, since its colour fits in with a variety of styles, providing an added dose of refinement and sophistication.
