1 qt 32 oz 946ml	6	\$97.00
1 gal 128 oz 3.8L	4	\$290.00

* Special deals available on case-lot orders. For pricing, please call your sales associate or email us at sales@centannitile.com

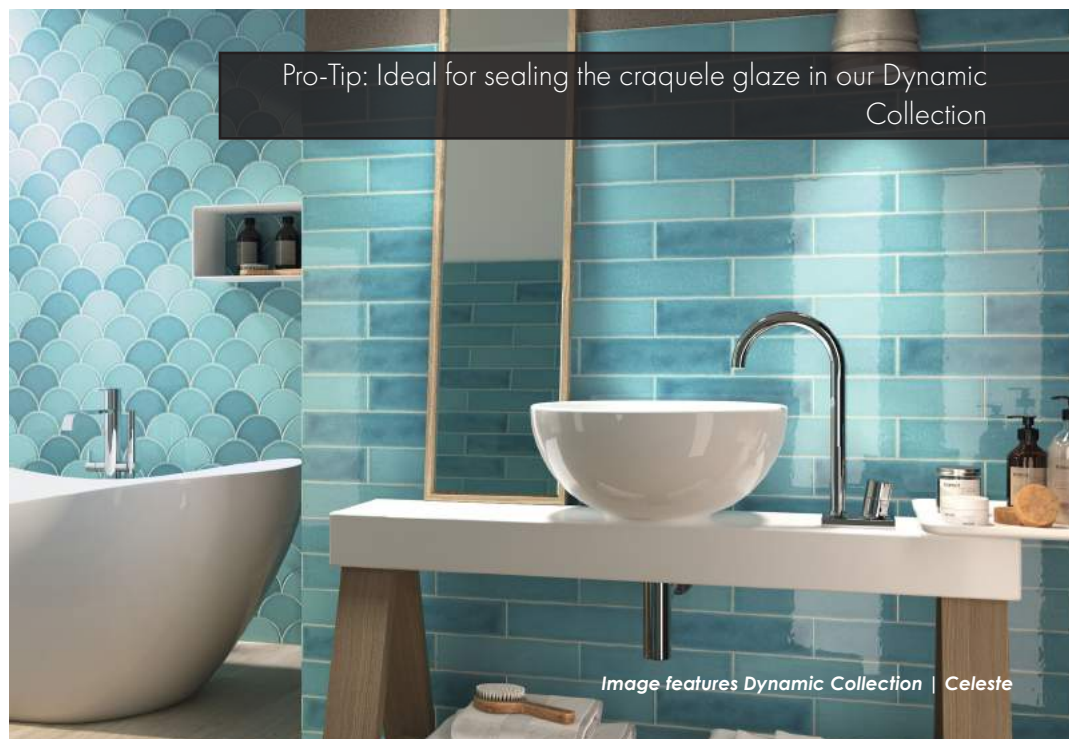

BULLETPROOF SEALER

Maximum strength, water-based penetrating sealer. Designed to provide maximum stain protection against the toughest oil and water-based stains.

Ideally suited to the most porous surfaces including grout, marble, textured or veined granite, limestone, bluestone, travertine, sandstone, flagstone quartzite & saltillo tiles.

- Maximum stain-protection
- Preserves original look of the material
- Interior & exterior use
- Water-based formula
- Professional Grade

QUARTZ & PORCELAIN TILE SEALER

Premium water-based sealer that offers added protection to engineered quartz agglomerates and high-density porcelain tiles.

Ideally suited to low porosity surfaces including engineered stone, quartz, polished marble, polished granite unglazed porcelain and stoneware ceramic tile.

- Protects medium to dense porous surfaces
- Preserves original look of the material
- Use as pre-grout release and sealer for unglazed porcelain
- Water-based formula
- Low odor and non-flammable

Size	Unit / Case	Price
1qt 32 oz 946ml	6	\$46.50

* Special deals available on case-lot orders. For pricing, please call your sales associate or email us at sales@centannitile.com

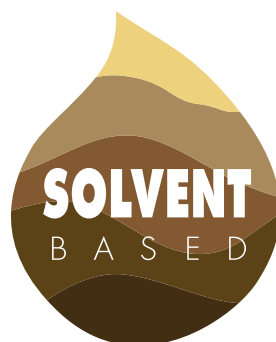

Pro-Tip: Ideal for sealing high-density engineered stone counters & technical porcelains

Size		Unit / Case		Price
1pt 16 oz 473ml	●	12	●	\$60.00
1qt 32 oz 946ml	●	4	●	\$90.00

* Special deals available on case-lot orders. For pricing, please call your sales associate or email us at sales@centannitile.com

Pro-Tip: Solvents often penetrate deeper into dense surfaces due to the molecular structure. Use with care due to VOC's.

Image features Antique Marble Collection | Pure

IMPREGNATOR PRO SEALER

Solvent-based penetrating sealer that offers advanced stain protection and preserves the natural look of the material.

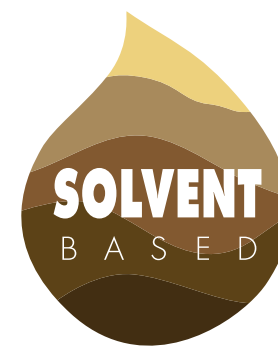

Recommended for un-glazed tile and stone surfaces including grout, marble, granite, limestone, bluestone, travertine and sandstone

- Advanced stain-protection
- Preserves original look of the material
- Interior & exterior use
- Solvent-based formula
- *** May be subject to Volatile Organic Compound sales restrictions. See www.laticrete.com for details. Refer to DS-230.25ST for complete warranty info

Size	Unit / Case	Price
1 qt 32 oz 946ml	6	\$42.42

* Special deals available on case-lot orders. For pricing, please call your sales associate or email us at sales@centannitile.com

HEAVY DUTY EXTERIOR SEALER

Solvent-based exterior sealer offering superior stain protection, water repellancy and weather resistance on natural stone and masonry.

Recommended for natural stone, masonry & grout such as granite, slate, travertine, sandstone, tumbled stone & concrete.

- Advanced stain protection against water-based stains
- Minimizes efflorescence
- Exterior use - weather resistant
- Solvent-based formula
- *** May be subject to Volatile Organic Compound sales restrictions. See www.laticrete.com for details.

Image features Mémory Collection | Cross Smoke

Size	Unit / Case	Price
1gal 128 oz 3.8L	4	\$300.00

* Special deals available on case-lot orders. For pricing, please call your sales associate or email us at sales@centannitile.com

SALT WATER RESISTANT SEALER

Penetrating, UV resistant sealer formulated to protect areas surrounding salt-water pools or exposed to de-icing salts.

Best suited to porous surfaces. Natural Stone, concrete pavers, terracotta, saltillo, poured concrete, aggregates, pavers & flagstone. Not intended for use on materials previously exposed to salt water or de-icing salts.

- UV Resistant
- Maximum protection against salt water/de-icing salts
- Minimizes efflorescence
- Exterior use
- Water-based formula

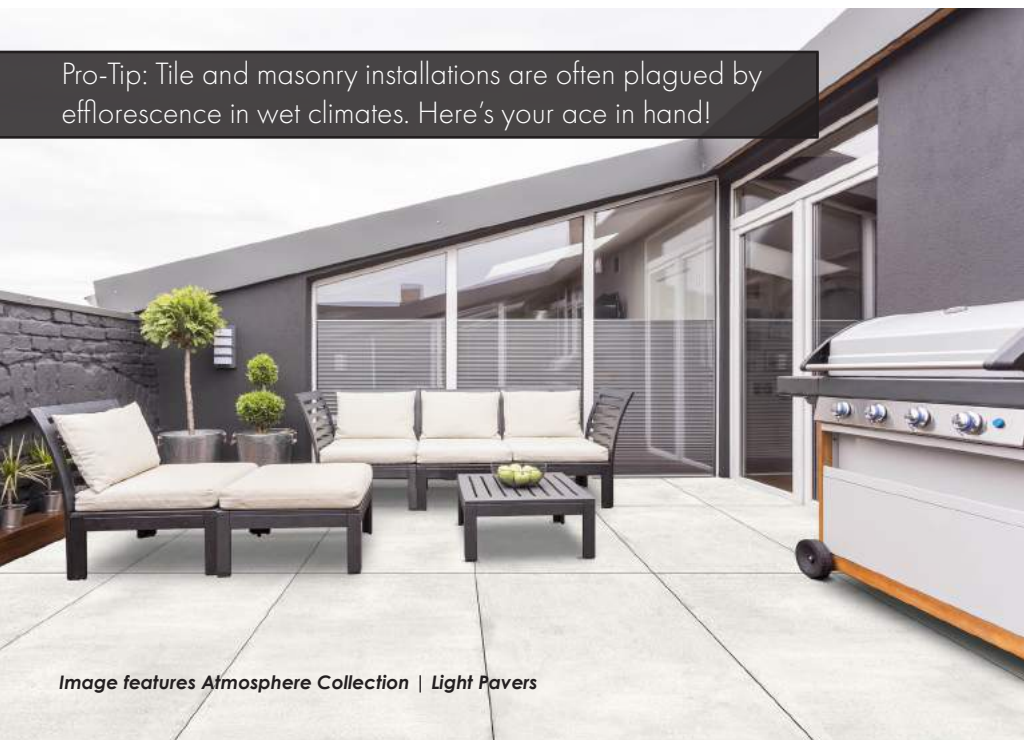

Image features Atmosphere Collection | Light Pavers

STONE, TILE & GROUT SEALER

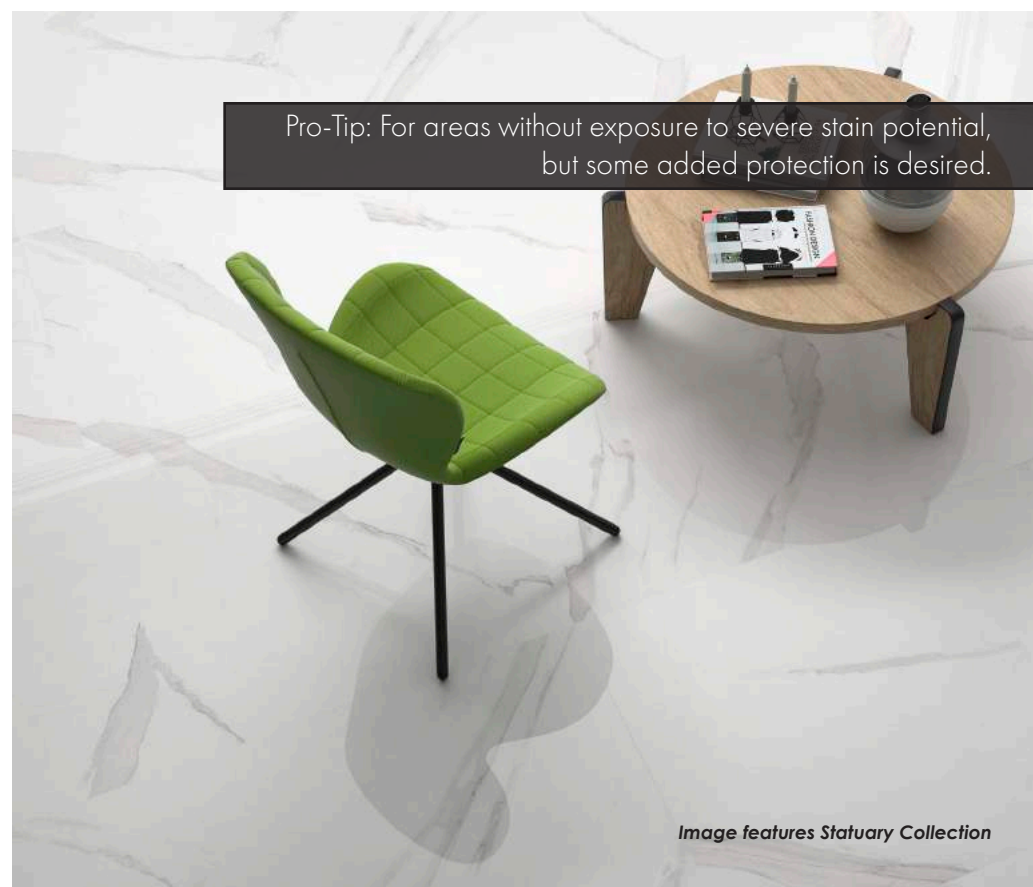

Water-based, penetrating sealer that provides standard protection against most stains.

Recommended for Natural stone, tile, masonry & grout installations such as polished marble, granite, polished limestone, polished travertine and slate.

- Stain protection
- Preserves the original look of the surface
- Interior & exterior use
- Water-based formula
- *Refer to DS-230.10ST for complete warranty information

Size	Unit / Case	Price
1 qt 32 oz 946ml	6	\$42.00

* Special deals available on case-lot orders. For pricing, please call your sales associate or email us at sales@centannitile.com

Pro-Tip: For areas without exposure to severe stain potential, but some added protection is desired.

Image features Statuary Collection

Size	Unit / Case	Price
1 Pint 473ml	6	\$28.00

* Special deals available on case-lot orders. For pricing, please call your sales associate or email us at sales@centannitile.com

HEAVY DUTY GROUT SEALER

Heavy duty sealer designed to protect grout from dirt, water and oil based stains to keep grout looking newer longer.

Recommended for treating cementitious grouts in natural stone, ceramic and porcelain tile installations

- Advanced stain protection against water-based stains
- Improves clean-ability of grout
- Preserves the original look of the surface
- Interior and exterior use
- Water-based formula
- *** For complete warranty info please refer to DS-230.10ST at www.laticrete.com

Image features Vintage Collection | Grey

QUARTZ & TILE CLEANER

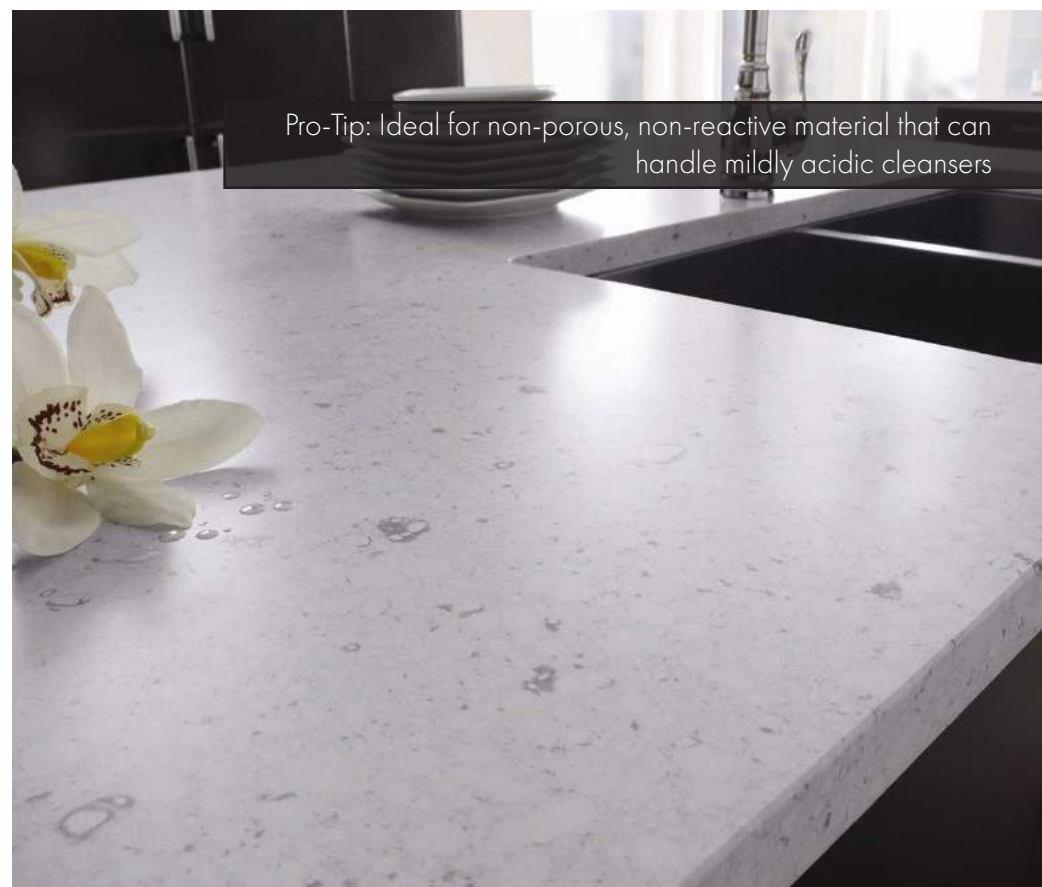

Ready to use, daily cleaner for quartz, engineered stone and tile installations.

Recommended for cleaning quartz, engineered stone, granite, porcelain and ceramic tile.

- Daily Cleaner
- Removes everyday spills and light stains
- Ready to use, no rinse formula
- Clean, fresh scent

Size	Unit / Case	Price
24 oz 709ml	6	\$17.50

* Special deals available on case-lot orders. For pricing, please call your sales associate or email us at sales@centannitile.com

Pro-Tip: Ideal for non-porous, non-reactive material that can handle mildly acidic cleansers

Size		Unit / Case		Price
24 oz 709ml	●	6	●	\$20.00
1gal 128 oz 3.8L	●	4	●	\$55.00

* Special deals available on case-lot orders. For pricing, please call your sales associate or email us at sales@centannitile.com

* Spray bottle is ready-to-use solution and 1gal size is concentrate for dilution as desired.

STONE & TILE CLEANER

The daily cleaner formulated to clean everyday messes on natural stone and tile.

Ideal cleanser for natural stone, masonry, tile and grout installations including marble, granite, limestone, travertine, quartzite, slate, sandstone, flagstone, concrete, ceramic & porcelain tile.

- Daily cleaner
- Gentle pH neutral formula
- Removes everyday spills, dirt and grease
- Clean, fresh scent
- Ready to use spray and concentrate formats

REVITALIZER CLEANER & PROTECTOR

Cleans and protects all-in-one formula to maintain a long-lasting surface.

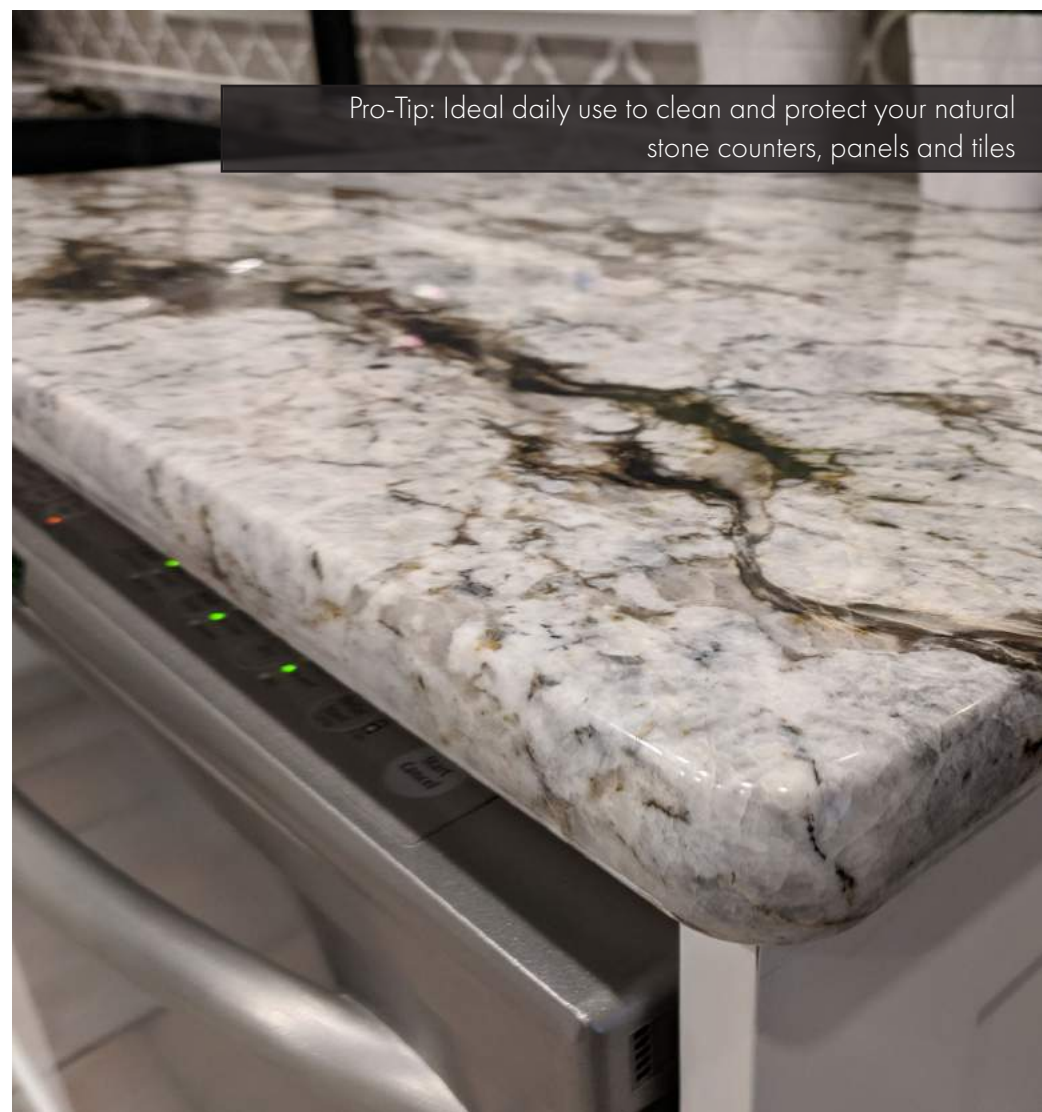

Recommended for Natural Stone & grout installations such as marble, granite, limestone, travertine, quartzite, slate, sandstone & flagstone

- 2-in-1 formula cleans and re-seals
- Built in sealer reinforces stain protection
- Gentle Formula
- Makes surfaces easier to clean
- Available in cucumber and citrus scents

Size	Unit / Case	Price
24 oz 709ml	6	\$25.00

* Special deals available on case-lot orders. For pricing, please call your sales associate or email us at sales@centannitile.com

* Spray bottle is ready-to-use solution. 1 gal size concentrate for dilution is available for special order.

Pro-Tip: Ideal daily use to clean and protect your natural stone counters, panels and tiles

Size	Unit / Case	Price
1qt 32 oz 946ml	6	\$25.00
1gal 128 oz 3.8L	4	\$66.00

* Special deals available on case-lot orders. For pricing, please call your sales associate or email us at sales@centannitile.com

Pro-Tip: Deep cleaning that is safe for polished marbles, metallic glazes and other delicate surfaces.

KleenzALL CLEANER

Heavy duty cleanser, formulated to remove tough dirt, grease and grime on natural stone, tile, masonry & grout.

Deep clean natural stone, masonry, tile and grout installations including marble, granite, limestone, travertine, quartzite, slate, sandstone, flagstone, concrete, ceramic & porcelain tile.

- Removes tough dirt, grease & grime
- Safe for delicate surfaces - will not etch
- Prepares surface for re-sealing
- Water-based alkaline formula
- Heavy duty strength

Image features Pearl Collection | Drop Grey

RESTORE ACIDIC CLEANER

Heavy duty, acidic cleaner that removes dirt, hard water deposits, efflorescence and rust to renew the look of tile & grout.

Recommended for natural stone, tile & grout installations such as granite, quartzite, slate, sandstone porcelain & ceramic tile. DO NOT USE on colored concrete, dyed granite and acid-sensitive stones like marble, limestone & travertine.

- Removes dirt, hard water deposits, grout haze, efflorescence & rust
- Water-based, acidic formula
- Professional strength & concentrated

Size	Unit / Case	Price
1 qt 32 oz 946ml	6	\$25.00

* Special deals available on case-lot orders. For pricing, please call your sales associate or email us at sales@centannitile.com

Pro-Tip: One of the benefits of modern inkjet ceramics & porcelain is that you can have any look with easy cleaning.

Image features Ziro Collection | Gris

Size	Unit / Case	Price
24 oz 709ml	1	\$ 25.00

* Special deals available on case-lot orders. For pricing, please call your sales associate or email us at sales@centannitile.com

MOLD & MILDEW STAIN REMOVER

STONETECH® Mold & Mildew Stain Remover is a ready-to-use, powerful specialty cleaner specifically formulated to remove mold, mildew and even algae on natural stone, tile, masonry and grout. It quickly dissolves unsightly mold and mildew stains without degrading or harming the surface. STONETECH Mold & Mildew Stain Remover features a foaming action sprayer that allows the cleaner to adhere well to vertical applications and avoid messy drips. Great for bathroom showers and vanities, kitchen countertops, backsplashes, patios and more.

Features & Benefits

- Eliminates unsightly mold and mildew stains
- For natural stone, tile, masonry and grout
- Won't degrade stone or grout
- Leaves a fresh, clean scent
- Foaming action sprayer
 - clings onto surface to avoid drips
- No VOC - Better indoor air quality

Image features Antique Marble Collection | Bianco Carrara

STONETECH® SOAP SCUM REMOVER

STONETECH® Soap Scum Remover is a ready-to-use, powerful specialty cleaner specifically formulated to remove stubborn soap scum, hard water stains and dirt on natural stone, tile and grout. Unlike other household cleaners that may harm or degrade natural stone, STONETECH Soap Scum Remover gently cleans soap scum build up on natural stone without scratching. It features a foaming action sprayer that allows the cleaner to adhere well to vertical applications and avoid messy drips. Great for use on bathroom vanities, showers, tubs and more.

Features & Benefits

- Eliminates stubborn soap scum, hard water stains, and dirt
- For natural stone, tile and grout
- Spray on foam, cleans and shines
- Leaves a fresh, clean scent
- No VOC - Better indoor air quality

OIL STAIN REMOVER

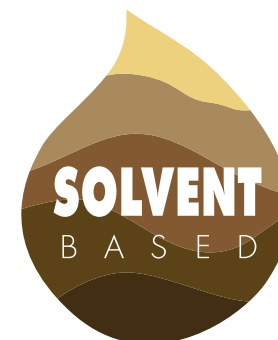

Ready to use, problem solving solution to remove deep-set oil-based stains from natural stone, masonry & grout.

Recommended for natural stone, masonry and cementitious grout installations such as marble, granite, limestone, quartzite, slate, sandstone & concrete.

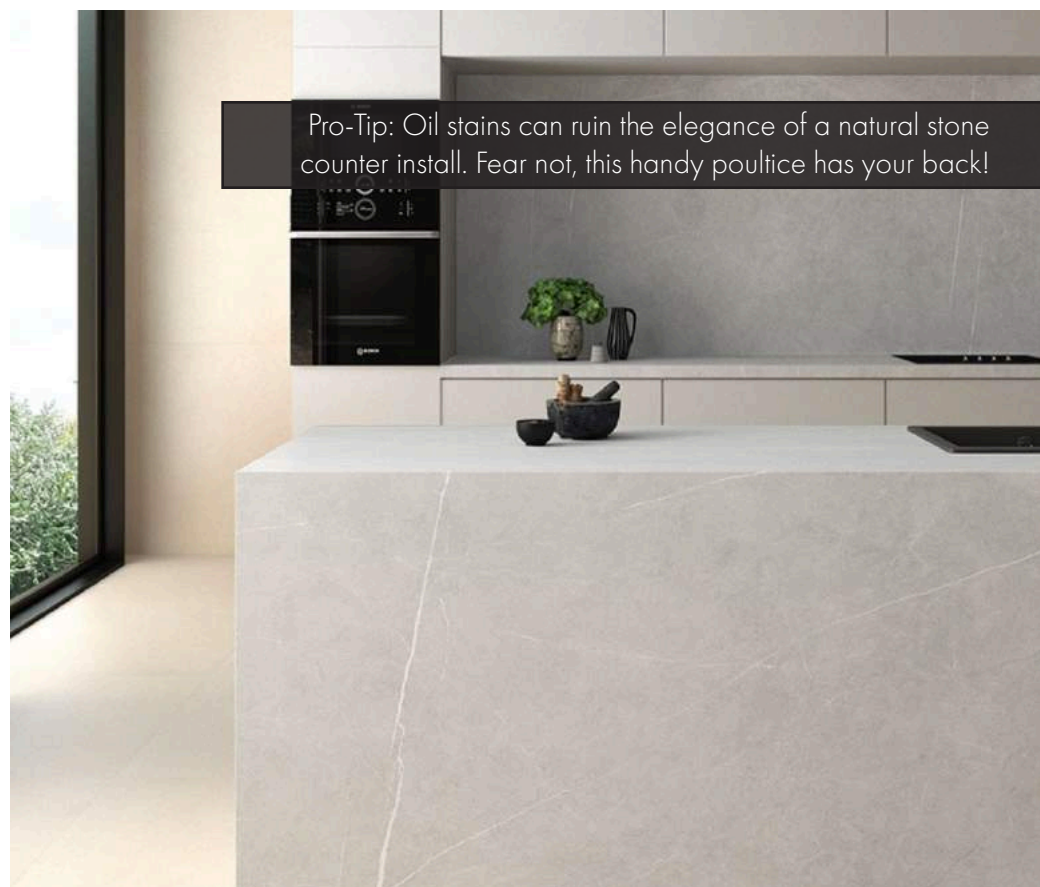

- Pulls out deep-set oil and grease stains
- Leaves no permanent residue
- Ready to use, just stir & apply

Size	Unit / Case	Price
3 oz 87ml	6	\$29.58

* Special deals available on case-lot orders. For pricing, please call your sales associate or email us at sales@centannitile.com

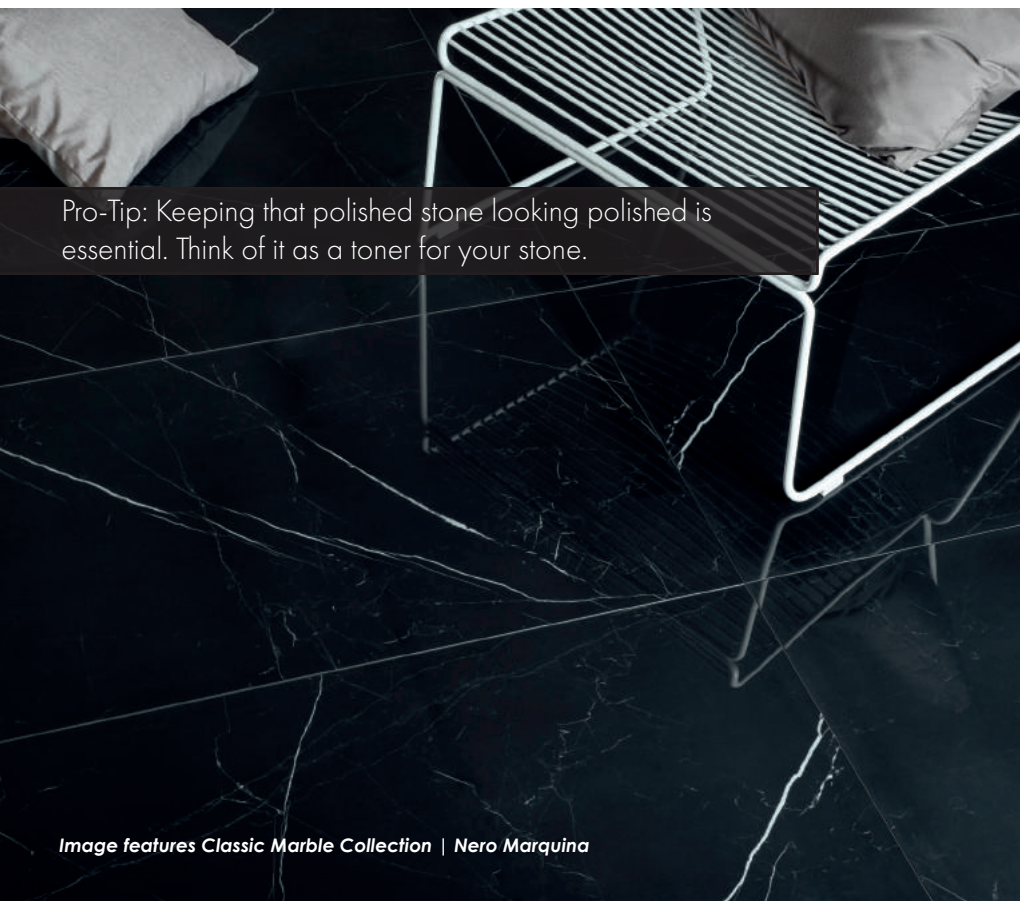

Pro-Tip: Oil stains can ruin the elegance of a natural stone counter install. Fear not, this handy poultice has your back!

Size	Unit / Case		Price
24 oz 709ml	●	6	● \$30.00

* Special deals available on case-lot orders. For pricing, please call your sales associate or email us at sales@centannitile.com

Pro-Tip: Keeping that polished stone looking polished is essential. Think of it as a toner for your stone.

Image features Classic Marble Collection | Nero Marquina

STONE POLISH

Restore the luster of polished natural stone with a quick touch-up shine.

Use with polished natural stone installations including marble, granite, limestone, travertine, quartzite. NOT FOR USE ON FLOORS. MAY CREATE A SLIPPING HAZARD.

- Adds a brilliant shine to polished stone
- No greasy film. Will not streak
- Easy to use formula
- Great for kitchen and bathroom countertops

ENHANCER PRO SEALER

Colour enhancing sealer that provides a maximum deep rich color and stain protection.

Recommended for natural stone, masonry and cementitious grout installations such as bluestone, slate, travertine, limestone, flagstone, textured stone, flamed granite & tumbled stone.

- Deepens colour
- Maximum stain protection. No gloss
- Weather & UV resistant
- Interior & exterior use
- Solvent-based formula
- *** May be subject to Volatile Organic Compound sales restrictions. See www.laticrete.com for details.

Pro-Tip: Use enhancers to bring out and even elevate the inherent variation of your stone or cement

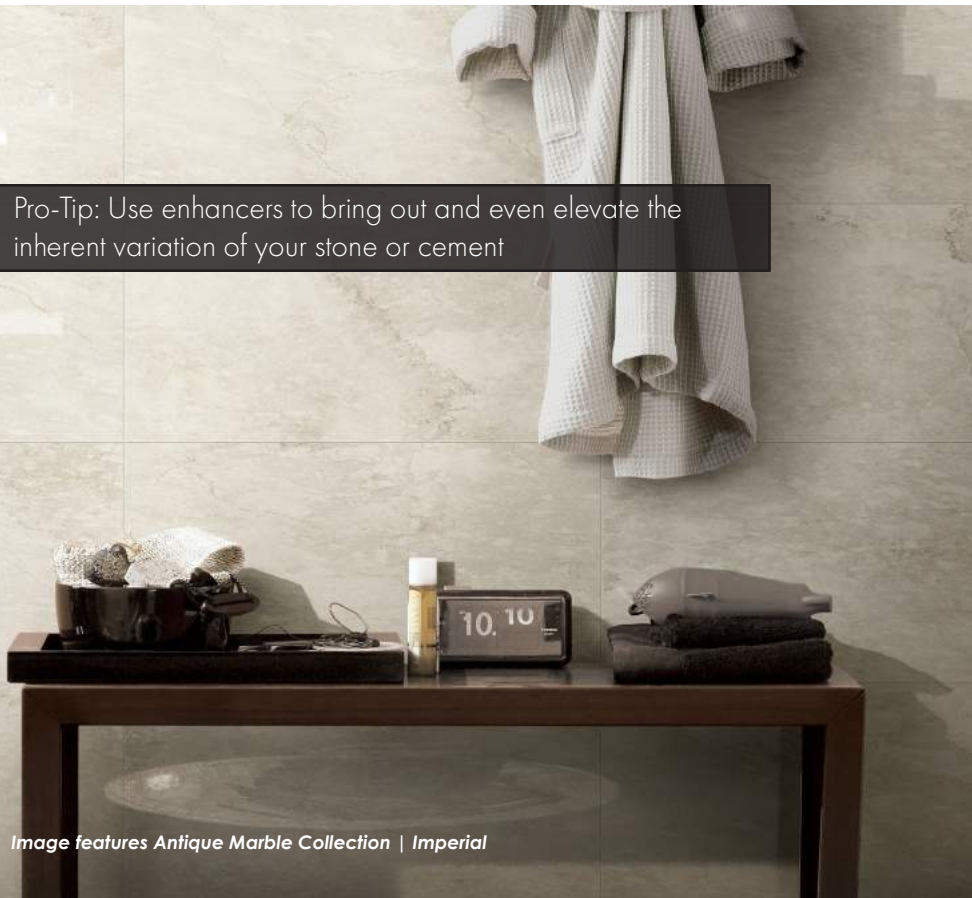

Image features Antique Marble Collection | Imperial

ENHANCER & SEALER

Water-based enhancing sealer that seals and enhances the surface for a deep, saturated color.

Recommended for natural stone, masonry and cementitious grout installations such as bluestone, slate, travertine, limestone, flagstone, textured stone, flamed granite, tumbled stone & concrete.

- Deepens colour
- Provides stain protection - no gloss
- Interior use
- Easy to use water-based formula

SEMI or HIGH GLOSS FINISH & SEALER

Sealer that protects and transforms the surface to a semi or high-shine finish.

Recommended for natural stone, porous tile, masonry and cementitious grout installations such as bluestone, slate, textured travertine/limestone, flagstone, concrete & saltillo tile. Not for use on glazed, polished, honed or non-absorbing surfaces or wood.

- Provides brilliant shine and deepens colour
- Protects against water & oil-based stains
- Interior use
- Water-based, heavy duty topical coating
- High or Semi-gloss finishes available
