### COLOR NOTES

Mugat

Pawn

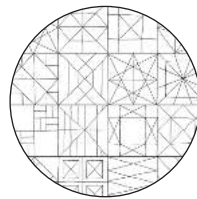

Chess Pawn is a group of 30 hand-drawn geometric designs that are supplied in random mix. Each carton is different and it is NOT possible to select for or remove certain designs.

### CURATION NOTES

- In an age where complexities are celebrated and compound to the point of incomprehensibility, something as simple as a hand-drawn sketch is novel.
- The group of designs for Pawn were created by a class of students in Barcelona's Graduate School of Design.
- The simple and relatable aesthetic is truly delightful and feels appropriate for any creative and modern space.
- Pairs BEAUTIFULLY with black plumbing & lighting fixtures.
