CURATION NOTES

Invictus Cross is the sister to our original Invictus collection that is inspired by the Vein Cut Italian Roman travertine that has been used in Italian architecture for centuries. The Invictus Cross takes inspiration from the same stone effect but in a crosscut section of the stone. Inspired by nature and made in Italy, available in 2 finishes, Natural Matte finish and a High Polished finish, coloured body porcelain makes this a high-quality timeless option for any classic design with a modern-day experience.
