COLOR NOTES

Blanco

Gris

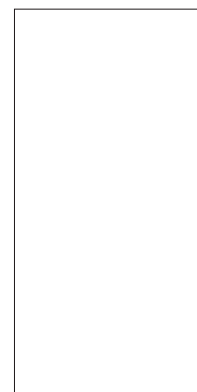

Carnaby features a very soft aesthetic but despite this, has quite strong variation. Proper mixing and care in orientation and placement is key to getting an organic and flowing result. *Especially for cuts*

CURATION NOTES

Concrete effect with life and natural impurities like you would expect from architectural concrete. The subtle embellishments are what makes Carnaby truly exceptional. From the subtle spider cracks in the graphic that are invisible unless you're up close to the Carnaby is a dynamic feast for the senses while retaining a serene and subtle backdrop. Now available in a 2 CM paver to complete your in and out tile experience.
